

# EUSOBI Annual Scientific Meeting 2017

## Regular Scientific Abstract

September 22-23, 2017 | Berlin, Germany

---

This year EUSOBI is offering for the first time a platform for presentation of unsolicited scientific work during the Annual Scientific Meeting that is open to all.

Abstracts should be submitted before April 24, 2017, 23:59 (CET), through the digital abstract submission site: <https://esociety.netkey.at/eusobi/abstractsubmission/>

### Eligibility

Eligible studies focus on breast imaging in a broad sense. Topics may range from early development of new imaging modalities to the clinical role of established imaging modalities in breast care and epidemiological evaluation.

### Abstract structure

Abstracts should be no longer than 300 words and be structured as follows:

#### *Title*

Provide an attractive and concise title for your work

#### *Purpose*

Clearly describe what you intend to evaluate

#### *Methods*

Accurately describe the essential methods employed in your research to a level that would allow repetition of the experiment

#### *Results*

Report the obtained results in a straightforward manner. Please provide confidence intervals and measures of statistical significance when appropriate

#### *Conclusion*

Place the results in perspective to the purpose of your study

#### *Summary statement*

A summary statement of at most 30 words should also be provided, this should allow readers to understand the topic of the study and the most essential findings

### Rating

All abstracts will be peer reviewed by at least 2 independent reviewers. Abstracts will be scored on scientific merits, relevance to the EUSOBI audience, originality, and clarity of presentation. Abstracts scored as poor on any of these items will be automatically rejected.

The following scoring system will be used:

- 1 = Excellent
- 2 = Good
- 3 = Moderate
- 4 = Fair
- 5 = Poor

### **Presentation**

Accepted abstracts will be presented as traditional posters during the conference. The presenting author must be present at the meeting. The title and summary statement of accepted posters will be listed in the meeting programme. A timeslot of 30 minutes will be assigned to each poster during which the presenting author should be available at the poster location to discuss the findings with interested meeting participants.

### **Poster award**

The highest rated abstracts will receive a certificate of merit and compete for the EUSOBI poster award. If you qualify you will be notified in advance. The prize, a certificate of recognition and free registration to the EUSOBI Annual Scientific Meeting 2018, will be awarded on the final day of the conference.
